Reply. Avatar. Jarbus. January 16, 2022 à€œEleven executives have been killed in the last three months. There are two reasons. First, we don't have many people, and we can't afford to lose our most valuable ones. And second, we have too many enemies. We had to not only fight, but also to run away. Run. We could not count on outside help. The whole world was behind us. But the enemies did not stand still. They had a huge advantage: they knew what we were going to do, and we didn't. Therefore, they were always ahead of us. They knew where we were, but we didn't.
