The imagoWEB image editor provides a set of different effects and tools for image adjustments and manipulations. Product Description: Remove unwanted stains and retain the pure white appearance of any material. Simply submerge a prepared material in the cups for up to 3 minutes and the PetEzy Ultra Blue Stain Remover is ready to restore any surface to like-new condition. The stainless steel pedestal and flush-mounting makes the PetEzy stain cleaner easy to store and there's no need for special cleaning equipment. Stains can be absorbed into the pad, which can be pulled from the liquid, and a new pad can be used. With four sizes to choose from, the PetEzy Ultra Blue Stain Remover can be used on a wide range of items, from paper to leather. Features: Stainless steel pedestal and fixture Stainless steel cover with a solid rubber base Four 12 oz. cups Dirty pots, pans, dishes and other items are no match for the PetEzy Ultra Blue Stain Remover. It can remove both stubborn ink stains and burnt grease from any clean, stained surface. To clean a surface, simply place it in one of the cup-like containers and submerge for up to 3 minutes. Cleaning is easy, with no need for special equipment. The cups are dishwasher safe, so simply remove them and empty the liquid stain cleaner into the waste canister. For best results, use the cleaner on steel, porcelain, or other non-porous surfaces. For ceramic or other delicate surfaces, consult your PetEzy Ultra Blue Stain Remover instruction manual. New liquid cleaner - The new, improved PetEzy Ultra Blue Stain Remover. Better for you - All liquid cleaner is free of synthetic chemicals, cleanser and drying agents. Shorter drying time - The PetEzy Ultra Blue Stain Remover dries to quickly without leaving a residue. Cleaner is flexible - You can use the PetEzy Ultra Blue Stain Remover for a wide range of applications. 100% Made in America! PetEzy is a proud American-made, handcrafted product - made right here in America! I've used the PetEzy Ultra Blue Stain Remover on several different surfaces; old, stained, coffee stained, even in the case of the stain I could not remove the stain I prepared the surface without using the PetEzy stain remover

Mio X 2 MioX 2 is a multithreaded video encoder and decoder for Windows, Linux, and Mac. It takes advantage of the multi-core architecture of modern computers to perform video processing faster and more efficiently. The application allows you to convert a video file from one format to another, edit the video, slow down or speed up the playback, crop, flip or add watermarking, and so forth. In particular, this software comes with an integrated video converter with an extremely simple and intuitive interface, which is very friendly for users of all levels of experience. In addition to this, MioX 2 sports a collection of various effects, which are applied to the video in real time. Thus, you can turn videos into very enjoyable content for social media networks, or upload them to YouTube and Vimeo. In other words, the application is suitable for everyone, regardless of their level of experience with video editing. Key features The most important thing about MioX 2 is that it is a multithreaded encoder and decoder. This ensures that videos can be processed as fast as possible. Moreover, it can save disk space, and even save battery life, because it doesn't have to store the same files more than once. Moreover, the application is very easy to use. Thus, you can instantly get started by clicking on the "Load a Video" button. Once there, simply drag and drop the video you want to convert on the MioX 2 application window. The best thing about the interface is that it provides most of the features you need right in the application, and does not require additional actions. Other attractive features of the application include multi-threading. In other words, your video processing can be divided into multiple threads,
